General Walters:

Your brother Fred called today. He misunderstood & thought you were leaving on Monday, so he called you on Sunday after you had gone. He wanted to tell you that he had had a very good luncheon with Mr. Pawley. Everything went well but it doesn't look, however, as though there would be any prospect of joining up in a consulting endeavor. Pawley is becoming Chairman of the Board of a company in New Orleans which deals in manufacture and building of sugar plants and he is leaving for the Phillipines in a week or so.

General Walters:

FYI, Paul Walsh had agreed to go to the Armed Forces Staff College to speak in your place on 26 March. When we notified the AFSC of this, they came back a day later and said that they appreciated his being made available to them but they had had to reschedule parts of their program and unfortunately had had to delete his presentation. They said their next class would begin in the fall and they would get in touch with us then!

STAT Ambassador Ridgeway Knight called on 12 March. He very much wanted to talk to you and said he would be in New York on the 26th at his brother's place. The telephone No. is [redacted]. Please call him. He was wondering if you had received his note and I told him you had.

The Air Force Office of Foreign Liaison called this morning to say they had been in touch with General Donaldson re Gen Maurin's visit to the U.S. and General Donaldson told them that during the course of your visit you had offered to do whatever you could to help out. They are asking you to block out 26 April to host a lunch for him at 1215. Gen Maurin arrives Washington the morning of the 25th and is being hosted to lunch by Adm Moorer on the 25th. He is leaving the morning of the 27th, leaving only the 26th for you to do something for him. But that is the date you have agreed to do the USAF Academy Speech. Do you want to reschedule that? The AF Foreign Liaison office suggests you hold the luncheon downtown. Their office would arrange and provide funds to cover cost. Gen Maurin is laying a wreath at 1130 that day and has appointments beginning at 1400 in the Pentagon. I indicated that you might want to do it out here, that it took approximately 20 minutes to get here on the Parkway from downtown and that it would be helpful if they could schedule his first appointment beginning at 1430 that afternoon. (AF Foreign Liaison/Mrs. West/11-57206)

STAT *repeated* OTR is after you to talk to and host to lunch if possible a group of 15 students of the Industrial College of the Armed Forces (ICAF) who are coming out to the Agency for half a day on the 27th of April from 0900 to 1245. This group is doing a 6-week study on Management of Intelligence Resources. It is the first time the Agency is having the ICAF here for briefings. I indicated to [redacted] that it was likely you would be out of town on that day but that I would confirm this with him later. But if you are not going to the AF Academy on the 26th, do you want to do this on the 27th? No (OTR/ [redacted]) STAT

Ambassador Phuong's office called 22 March. He wants to talk to you and asks that you call him on Monday. He also asks that you keep the morning of 5 April free. *all*

Col Rombach called from Paris on the 13th. He said he had had lunch the day before with General Dodelier and Mr. Amouri. They told him they had written to congratulate you on the Legion of Honor award but had not heard from you.
